

I just wanted to thank you for such a good weekend. I really enjoyed every element of it. It was so good to see so many old friends and to dance to such good live music. I can't wait till next year

I have been meaning to send you a text to say how much I enjoyed last weekend and even though I didn't dance, I so enjoyed it.

We thoroughly enjoyed ourselves and it was good to meet up with people we hadn't seen for a long time. -M&B D

Many thanks for a great weekend. It was my first experience of your Westbury dance at the Livermead and was really enjoyable. Please pass on my thanks to all your team for their work in making it such a success. MM

Many thanks for a brilliant weekend at Livermead. Everyone was so friendly and unafraid in that company and we demonstrated that we Scottish Country Dancers are tough and resilient and pursue an activity which is so therapeutic and healthy both physically and mentally. I for one am feeling fitter than I was two months ago when I resumed dancing. BM

Just to let you know how much I enjoyed the weekend. Fantastic music, a lovely choice of much-loved dances, a really good teacher, and the wonderful food and service at the hotel.

My only regret is that I wasn't fit enough to join in more, but even so, it was an excellent spectator experience.

I am though, determined to be back to normal for next time. IR

A big thank-you for a lovely weekend, I did enjoy it. JW
